Your letter of 25 May and your Form 57 have been forwarded to us by the Honorable John J. Rhodes for consideration. We are glad to know of your interest in our organization and shall be glad to consider your application in light of our current openings.

We note that your Form 57 suggests your primary interest would be in an assignment overseas. As a rule, we do not recruit for direct assignment abroad but select for such openings from among careerists who have the benefit of training and experience in our headquarters office. Therefore, your willingness to serve in Washington, D.C. as your principal post of duty, with the possibility of later assignment overseas, is an important factor in our review and we would like to hear from you on this point at your earliest convenience.

Very truly yours,
